

Bowl Cleaner

Bowl & Urinal Cleaner

DESCRIPTION:

BOWL CLEANER is specially formulated to remove scale, rust stains and organic matter leaving the toilet bowl clean and deodorized. It is suitable for use on all vitreous toilet bowls, urinals and wash basins.

FEATURES:

Not recommended for use on porcelain enamel. Keep out of reach of children. Do not mix with bleach or other chemicals. Wear protective clothing.

DIRECTIONS:

Use $\frac{1}{4}$ cup to 1 cup of undiluted **BOWL CLEANER** per toilet bowl, depending on the amount of soil to be removed and the frequency of cleaning. With a small string mop, cellulose sponge or nylon brush scrub the bowl surfaces.

For further information, please review the **Safety Data Sheet (SDS)** and **Product Label**.

STORAGE & HANDLING:

Keep from freezing. Store upright in original closed container at room temperature away from children. Do not mix with any other chemicals.
