

# Citrus Blast

## Industrial Hand Cleaner

### DESCRIPTION:

**Citrus Blast** is an industrial-strength pumice hand cleaner designed specifically for the greasy soils found in shops, garages, factories or anywhere hands get really dirty. It has a low odor petroleum solvent formula that neutralizes the residual odors of diesel and other fuels with a pleasing citrus fragrance.

**Citrus Blast** removes stubborn industrial soils, inks, resins, paint, adhesives, tar, carbon and asphalt easily. **Citrus Blast** is formulated with emollients to prevent dryness so your hands feel soft and smooth even after repeated washings.

### FEATURES:

**Citrus Blast** is concentrated, fast-acting, gentle on hands and rinses off quickly and easily.

### DIRECTIONS:

Squirt **Citrus Blast** into the palms of dry or wet hands. Rub the product into knuckles and under fingernails.

Rinse thoroughly with water.

For further information, please review the **Safety Data Sheet (SDS)** and **Product Label**.

### STORAGE & HANDLING:

Keep from freezing. Store upright in original closed container at room temperature away from children. Do not mix with any other chemicals.
