

# Citrus Power

## Natural Orange Degreaser

### DESCRIPTION:

**Citrus Power** is made from natural citrus distillate and vegetable oil soap. It does not contain petroleum solvents. **Citrus Power** is excellent for removal of grease and oil from all surfaces. It is specially formulated to be used where harsh chemicals are not tolerated.

### FEATURES:

orange fragrance • heavy duty • concentrated degreaser • contains d-limonene • no butyl • no petroleum solvents

### DIRECTIONS:

For grease removal, apply straight by brush, spray or cloth. Allow sufficient contact time before rinsing. **Citrus Power** can be diluted with water as needed for steam cleaning, foam application, or mopping. Do not use in food handling areas.

For further information, please review the **Safety Data Sheet (SDS)** and **Product Label**.

### STORAGE & HANDLING:

Keep from freezing. Store upright in original closed container at room temperature away from children. Do not mix with any other chemicals.

This material is corrosive and flammable. Wear eye and skin protection when handling.
