

# I-CE Pearl

## Pearlized Lotion Hand Soap

### DESCRIPTION:

**I-CE-PEARL** is a quality pearlized lotion hand soap that is specially formulated for bulk soap dispensers. This moisturizing hand soap will not clog your dispensers and is recommended for use in the washrooms of schools, restaurants and other public facilities. The mild surfactants in **I-CE-PEARL** produce a generous lather with superb cleaning performance while the addition of emollients leaves a moist and supple feel to the skin.

**I-CE-PEARL** (pronounced: I-See- Pearl) is exactly as the name says. A white pearl with no added perfumes, serves to satisfy the growing demand for hand soaps that are fragrance and pigment-free.

### FEATURES:

Canadian Food Inspection Agency (CFIA) approved • will not leak out of dispensers • pearlized • no added fragrance • no added dye • increased lathering

### DIRECTIONS:

Place a small amount of **I-CE-PEARL** in palm of moist hand and rub hands together to loosen soil. Rinse thoroughly with clean water.

For further information, please review the **Safety Data Sheet (SDS)** and **Product Label**.

### STORAGE & HANDLING:

Keep from freezing. Store upright in original closed container at room temperature away from children. Do not mix with any other chemicals.
